Beth,

## Ex. 5 - Deliberative Process; Attorney Client Privilege

Would you have time to talk at 5:30 pm or 6 pm today to discuss the next productions and proposed path forward. If you are in agreement with my proposed path forward, I can write up the path and circulate it to ensure our teams are on the same page. I also want to update you about the NRDC case, as we have an opposition due Friday to plaintiff's motion for a production schedule.

Thanks. I am teleworking this afternoon and will be free after 5:30 at

Ex. 6 - Personal Privacy
